Reduction In Force (RIF) Coverage Reminders

• As a reminder, employees who are currently enrolled in Plan benefits and whose jobs are eliminated because of a partial or full reduction in funding are eligible for RIF coverage.

• It is critical that these members are offered and set up for 12-month RIF coverage on a timely basis.

• This should be done not only to ensure there is no break in coverage or access to care concerns, but also because delays in enrollment will cause delays in the member receiving a premium invoice.

• Timely set-up is even more important for members who are eligible for Medicare, as they will be Medicare primary under RIF; therefore, they need to get their Medicare Parts A & B by the start of their 12-month RIF period.
Employee Engagement

• Over the next year the State Health Plan will be heavily communicating to members.

• Please encourage employees to:
  • Keep their address updated
  • Add an email in eBenefits
  • Sign up for the Plan’s monthly newsletter
  • Follow the Plan on Facebook
