County Size Rank: Ranking of NC counties based on projected 2022 population for that county (from State Demographer's Office at NC OSBM), where 1 had the largest population and 100 had the smallest.

Members Size Rank: Ranking of NC counties based on per capita SHP BCNC membership by calculating the total number of unique members in a county in 2022, then ranking from 1 through 100, where 1 had the highest number of members per capita and 100 had the lowest.

Members Served Rank: Ranking of NC counties based on the number of SHP BCNC members who had at least one paid claim for healthcare services where the address of the provider rendering the service was in this county, regardless of the member's county of residence, where 1 had the highest number of such members and 100 had the lowest.

Average Monthly Membership in County: Sum of the number of unique SHP members in the county in each month of 2022 divided by 12; this refers to membership only, regardless of whether the member had claims for healthcare services.

Number of Paid 2022 Claims in County: Count of distinct finalized paid BCBS claims with date of service in 2022, regardless of paid date, where the address of the provider rendering the service was in this county, regardless of the member's county of residence.

Members Receiving Service in County: Count of SHP BCNC members who had at least one paid BCNC claim for healthcare services where the address of the provider rendering the service was in this county, regardless of the member's county of residence.

This data includes only BCNC members only.
